Without givers like you, our parishes can't have an impact or influence in our communities. With your support, we're helping real people like you. Together, we can make a difference. Make a gift today .- www.isupportabcd.org

Does your Will include (school)? We know that your life is better because you graduated from a Catholic School Let us provide that same quality religious education to more students. Consider a bequest to (parish/school). Email us today! spaulnoel@theadom.org.

"No servant can serve two masters. He will hate one and love the other or be devoted to one and despise the other. You cannot serve God and mammon (wealth)." Luke 16:13

Jesus tells his disciples, " You cannot serve both God and Money." The dishonest manager in today's parable knew how to manipulate money to his advantage. But the Gospel warns that no one can serve both God and money. As Christian stewards, we know we are to use our material blessings to further God's work here on earth. But the question is: where do our heart's lie? Which do I serve? Is my Stewardship such that anyone can tell?

¿Su testamento incluye (escuela)? Sabemos que su vida es mejor porque se graduó de una escuela católica. Propocione esa misma educación religiosa de calidad a más estudiantes. Considere un legado a (parroquia escuela). ¡Envíenos un correo electronic hoy! spaulnoel@theadom.org.

"No hay criado que pueda servir a dos amos pues odiará a uno y amará al otro o se apegara al primero y despreciará al segundo. En resumen, no puede servir a Dios y al dinero. Lucas 16:13

Jesús les dice a Sus discípulos: "No podéis servir tanto a Dios como al dinero". El gerente deshonesto en la parábola de hoy sabía cómo manipular el dinero a su favor. Pero el Evangelio advierte que nadie puede servir tanto a Dios como al dinero. Como mayordomos cristianos, sabemos que debemos usar nuestras bendiciones materiales para promover la obra de Dios aquí en la tierra. Pero la pregunta es: ¿dónde están nuestros corazones? ¿A cuál sirvo? ¿Es mi mayordomía tal que cualquiera puede decirlo?

"My sheep hear my voice; I know them, and they follow me. I give them eternal life, and they shall never perish." (Luke 19:34)

Jesus express His personal relationship with us. We know we can put our faith and trust in Jesus, the Good Shepherd. His ultimate gift to us is eternal salvation for those who listen to and follow Him. As Christian stewards, do we speak to Jesus and tell him about our relationship with Him?

The Water for African Cities Program

Burkina Faso is a country in West Africa, south of the Saharan belt. Sustainable access to water for drinking and adequate sanitation is a significant challenge for its population. For decades, low income settlements have gone without a clean water supply and proper sanitation facilities.

The Water for African Cities Program is working towards creating *Water-Use Ethic* amongst school children and the community, through a curriculum called *Value Based Water Education*. Some schools have even established water clubs to sensitize their community through its extracurricular activities. The model is being replicated, as communities around the school have benefitted from the program.

The Water for African Cities Program supports water utility companies to improve efficiency by reducing levels of unaccounted for water. The program has resulted in the construction of a series of water ponds that capture rainfall in July and August. The water is then distributed providing clean safe water for the residents and their valued livestock.

The Water for African Cities Program will insure sustainable access to proper sanitation and safe drinking water for the urban poor in Burkina Faso. Your contribution will make a tangible impact on their lives. We ask for your generous donation to this worthy cause.

Today's second collection will go towards this noble project. Thank you.

Programa de Agua para Ciudades Africanas

Burkina Faso es un país en África Occidental, sur del Sáhara. El acceso al agua potable y saneamiento adecuado es un desafío significativo para la población. Por décadas, asentamientos de bajos ingresos han existido sin un suministro de agua potable e instalaciones de saneamiento adecuadas.

El Programa de Agua para Ciudades Africanas está laborando para crear una *ética sobre el uso del agua* entre los niños de edad escolar y la comunidad, a través de un currículo escolar y comunitario basado en *el valor del agua*. Algunas escuelas han establecido clubes acuáticos para sensibilizar a su comunidad a través de sus actividades. El modelo se está replicando, ya que las comunidades cercanas se han beneficiado del programa.

El Programa de Agua para Ciudades Africanas apoya a las empresas de servicios de agua para mejorar la reducción de niveles de agua no contabilizada. Este programa facilitó la construcción de una serie de estanques de agua que capturan la lluvia en julio y agosto. Luego, el agua se distribuye, proporcionando agua limpia y segura para los residentes y su valioso ganado.

El Programa de Agua para las Ciudades Africanas asegurará el acceso sostenible a saneamientos adecuados y agua potable para los pobres urbanos de Burkina Faso. Su contribución tendrá un impacto tangible en sus vidas. Pedimos su generosa donación a esta digna causa.

La segunda colecta de hoy es para este noble proyecto. Gracias.
